Release of Liability for Expeditions

Please sign and return with registration form, visa form, and deposit

I will be traveling with and attending gatherings and seminars organized by Sacred Earth Network, Inc. This expedition will take me out of the United States into a country or various countries as indicated by the trip description. I understand that these expeditions may involve shamanic journeying, healings by shamans, and exposure to various climatic and cultural conditions and that I may be exposed to physical, emotional, psychological, and other discomforts. I accept complete responsibility for possible discomfort or risk of injury. I do not hold Sacred Earth Network staff, board of directors, consultants, or expedition leaders responsible or liable in any way for any damages, injuries, illnesses or problems that may result directly or indirectly from the expedition. That includes but is not limited to any and all damages prior to, during, and following the expedition.

Activities that are described as optional to the participants are not offered as part of the expedition but are often offered by the communities and healers we will visit. Optional activities are at the discretion of the participant and Sacred Earth Network assumes no liability for potential hazards, injuries, or stress resulting from optional activities.

I understand that this expedition will take me to places often distant from hospitals, doctors, and other emergency facilities. I agree that I, my heirs, legal representatives, or any member of my family will not make any claim against or sue the trip leaders (either individually or collectively), their heirs, legal representatives, or members of their families, for bodily injury, death, psychological, emotional, or property damage resulting from my participation in the expedition.

I release and discharge the trip leaders from any and all liability arising from my participation in the expedition. Discharge of the trip leaders includes any and all liability that may arise out of any negligence or carelessness on the part of other individuals including travel agencies; other participants; authorities; hospital; doctors; airplane and other vehicle owners and operators; providers of lodging, food, medical attention and any and all parties involved in providing goods and services associated with the expedition.

In signing this agreement I also state that I have disclosed all medical conditions on my registration form that are pertinent to participating in the physical requirements of the expedition. I also agree to allow Sacred Earth Network to use photos, which may include myself as a participant for promotional purposes at their discretion.
