## *A Winter Retreat for Earth Lovers*

January 18-20, 2008 (Friday-Sunday)  
Earthlands in Petersham, MA

Do you spend energy working for positive change on the planet?  
Are you in need of time to rest, rejuvenate and renew your commitment to yourself and your work?  
*Then this retreat is for YOU!!*

In a cozy and rustic setting surrounded by the deep stillness of winter, we'll come together with kindred spirits to laugh, cry, breathe, dance, sing, drum, journey and play. Skilled facilitators will lead us through processes that invite us to share our stories, release our pain, embrace our passions and heal our separateness from each other and the Earth. Given the intentional timing of this weekend, we will also take the opportunity to honor Martin Luther King, Jr. and his precious legacy. Hundreds of acres of natural beauty will be ours to explore by snowshoeing, skiing or walking. Nourishing vegetarian meals will await us. Come join us in this nurturing and supportive weekend that is sure to warm your heart and soul and energize your work to come.

<b>Time:</b>	The retreat begins with dinner at 6:30 pm Friday evening and ends at 3:00 pm Sunday. There is an option to stay over through Monday for an extra lodging fee.
<b>Place:</b>	The Lodge at Earthlands is an off-the-grid building with simple dorm-style accommodations heated by wood stoves ( <a href="http://www.earthlands.org">www.earthlands.org</a> )
<b>Cost:</b>	Sliding scale \$160 - \$300
<b>Facilitation:</b>	A team led by Bill Pfeiffer and Cathy Pedevillano. Our expertise includes deep ecology processes, shamanism, Inspirational Breathwork, teambuilding, nature awareness, birdwatching, wildlife biology, outdoor leadership, organizational development and FUN!!!
